

MATOC Solicitation No. 05-0001-32

Amendment No. 001

1. Question: Please clarify Section 3.2.2 with respect to the proposed hours. The paragraph specifies 8.125 man year at average rate of 1354.16 hours per month, which results in 16,250 hours per year. However, the table shows a total of 32,500 hours per year which equates to a 16.25 man year. Is the effort approximately 8.125 man year or 16.25 man year for each year of the base period.?

Answer: The effort is 16.25 man years. Section 3.2.2 should read as follows: "The base period of performance will be 24 months from the date of award. The effort anticipated for this period is approximately **(16.25)** man-years at an average rate of approximately (1354.16) hours per month. A summary of the labor categories and the total anticipated annual hours for this effort is provided below..."

2. Question: 3.2.1 states a 24 month base period with three 12 month options, but 4.2 states a 12 month base period with three 12 month options.

Answer: 4.2 is amended to read as follows: "Base period of twenty-four (24) months from time of award with three (3) one-year options."

3. Question: Would like to clear up if the labor hours listed in 3.2.2 apply to the entire base period or to each year of the base period

Answer: The labor hours in 3.2.2 apply to the entire base period.

4. Question: Page 7, Paragraph 3.2.2 Table: We assume the right hand column labeled "Hours per Year" should be labeled "Hours per Base Period". Is this correct?

Answer: Yes

5. Question: Page 8, Paragraph 4.2: We assume the statement "period of twelve (12) months" should be "period of twenty-four (24) months". Is this correct?

Answer: Yes (see question 2 above).

6. Question: Page 10, Paragraph 4.8.2: We understand that the restriction described in this paragraph pertains only to future seabasing research procurements released by ONR. Is this correct?

Answer: Yes

7. Questions: Regarding the Attachment A - Non-Disclosure Agreement, we respectfully request that the Government consider some revisions to this document. We're providing a revised document, reflecting the changes we'd like to see. Please confirm whether the Government will consider any changes to the Attachment A provided with the Solicitation package.

Answer: Attachment A "Non-Disclosure Agreement" cannot be revised.

8. Question: Please clarify Section 2.2 Scope. The bullet list does not include Seabasing FNC technical and management support, but the rest of the RFP includes discussion of support for the Seabasing FNC. Is the Seabasing FNC included in the scope of this RFP?

Answer: Section 2.2 Scope should reference support for the Seabasing FNC.
